About Me

Performance-driven digital marketer with hands-on experience across paid media, organic growth, content strategy, and analytics. Proven ability to scale traffic, improve conversion rates, and optimize campaigns across Google, Meta, and LinkedIn. Strong background in keyword research, funnel optimization, audience targeting, performance reporting, and experimentation. Skilled in using productivity and automation tools to improve workflows and reporting.

Professional Experience

TestMu AI | Product Marketing Lead

(July 2023 - Present)

- Played a key role in the company's rebranding transition from LambdaTest to TestMu AI, supporting website restructuring, content updates, and digital presence alignment.
- Managed Facebook, Google, and LinkedIn ads, focusing on optimizing performance for B2B engagement and conversions.
- Built high-quality backlinks through well-researched outreach and collaborations with relevant domains.
- Optimized 150+ articles and created 40+ SEO-focused webpages using keyword integration and metadata to improve organic visibility and authority.
- Executed influencer marketing by researching profiles, coordinating collaborations, negotiating deliverables, and publishing content across Instagram, Facebook, X, and LinkedIn.
- Led LambdaTest's Product Hunt launch (1st place) and promoted the TestMu event.
- Managed Google My Business and Pinterest, achieving 10K+ monthly views.
- Secured "Position 0" on SERPs and optimized video pages for SEO.
- Optimized 100+ landing pages to align with campaign goals, enhancing conversion rates and supporting business objectives.

Byju's | Sales Trainee

(July 2022 - Sep 2022)

- Completed classroom and on-the-job training to enhance customer outreach.
- Collaborated with sales to generate warm leads, converting two into revenue within six weeks.

Positions of Responsibility

School Captain, Indian School of Learning, Dhanbad

- Trained and supervised 20 students for the Republic Day parade, enhancing leadership and coordination skills.
- Awarded ₹10,000 and received commendation from the chief guest.

Coursework Highlights

- Planned social media strategies for brands like MG, TATA, and HCL, focusing on content planning, creatives, and engagement-driven growth.
- Crafted engaging social media content, including visuals and videos, to boost audience engagement.
- Utilized advanced analytics tools to extract valuable data, driving substantial growth and engagement.
